

Working harder, going further and doing more to protect you

Say hello to helpful

World class insight with a local touch

Behind the scenes backing you to succeed with refreshingly human advice and support that's exactly right for you.

Specialist

Over 2,000 transportation clients across the UK supported by a team of specialised brokers. Whether you're in road haulage, freight forwarding or postal services, we'll have an expert in your field.

Capable

While part of a world-leading insurance group, Marsh & McLennan Companies, we're a proud UK community broker with a local branch network the length of the country. This means we're big enough to keep you safe, but small enough to care.

Experienced

Meeting the insurance and risk management needs of our haulage, logistics, and warehousing clients for over 30 years. From claims of breaching contracts to loss of goods/loads from theft or hijacking, we've seen it all and know how to keep your wheels turning.

Trustworthy

Our transportation clients trust us to consistently meet, and exceed, their needs. That's why the average transportation client stays with us for 9+ years.

Consultative

From our advisers to our in-house claims team and loss adjusters, we employ some of the most accomplished people in the industry, so you'll always get expert insurance, claims, risk management and health & safety advice and support.

Collaborative

Recognised by the haulage and logistics industry we work with Pall-ex networks providing insurance and risk management services. Respected by insurers through years of relationship building to ensure the best of breed cover for our clients.

Supply chain risks

Inbound logistics

- Driver availability and retention.
- Fleet management (fleet, driver, fuel management).
- Technology dependency/failure.
- Major incident - delay/interruption.
- Quality assurance/product stewardship.
- Stock loss/damage.
- Third party supply transparency.
- Contractual risks.

Warehouse management

- Increasing use of technology in warehouses.
- Temperature and quality control risk.
- Employee health and safety.
- Stock loss/damage.
- Fire, flood, theft, infestation.
- Denial of access.
- Accumulation risk.

Distribution

- Distribution strategy (global/national/local).
- Government regulation restricting market entry.
- Delay/interruption - natural catastrophe, strike, terrorism.
- Employee health and safety.
- Driver attraction and retention.
- Technology dependency/failure.

Transport Planning and control

- Technology dependency/failure.
- Contingency risk.
- Delay in receiving goods.
- Climate change/weather risk.
- Environmental concerns.
- Fleet optimisation/effective claims management.
- Growing vehicle complexity/increased repair costs.

Reverse logistics

- Fleet utilisation.
- Delay in receiving goods.
- Driver/people risks.
- Supply interruption.
- Changes in consumer preferences.

Insurance policies you can rely on

Competitive, comprehensive and tailored to you.

Our cover for the transport and logistics industry can include:

- Motor vehicles
- Goods in transit/cargo
- Storage and hazardous goods
- Contingency cover for sub-contractors
- Personal accident and illness
- Cyber liability
- Employers', public and directors' & officers' liability
- Property cover
- Personal accident illness and travel cover
- Claims assistance/preparation cover

The worst time to discover that you are either not insured or your insurance is inadequate is when you need to claim.

Keeping the wheels in motion

People, not paperwork – supporting our clients every step of the way.

Vehicles we can cover include:

- All types of HGVs – including specialist vehicles
- Heavy haulage / abnormal loads
- Trailers - all types
- Tippers, tankers and recovery vehicles
- Fork lifts, skip lorries and car transporters.

Whether you're a large warehousing and distribution company operating throughout the continent or a smaller specialist haulier serving the local area, we want to ensure you have the right insurance for your business needs.

More than an insurance broker

Marsh Commercial extends support beyond insurance. We're dedicated to helping transport and logistics firms to identify, quantify, manage, and mitigate risks – with tailored advice and customised, industry-specific solutions that match our clients risk needs. Whether it's in the event of a claim, designing risk management programmes or employee health and benefits, the whole Marsh Commercial family is here to help you realise a long term vision that keeps your vehicles, people and cargo's protected.

What our clients say

“Great service and exceptional staff providing me with piece of mind that all my insurance needs are fulfilled and that my business will be looked after by an extremely competent team.”

Mark Webster,
Director, Eddie B Webster & Sons.

“Mark and the team at Marsh Commercial have always provided a professional, dedicated service. If I need anything I know that someone will be there to provide me with the advice I need. I have no hesitation in recommending Marsh Commercial.”

Mark Longthorne,
Partner, Longthornes of Hebden

“We have dealt with Damian Silverman for many years and have always been very impressed with the levels of both service and advice received. His depth of industry knowledge has proved invaluable and our relationship with Marsh Commercial is important to our future success.”

Evan Sparrowhawk,
Managing Director, Wyven Cargo
